PowerPoint 365

# Merekam Slide

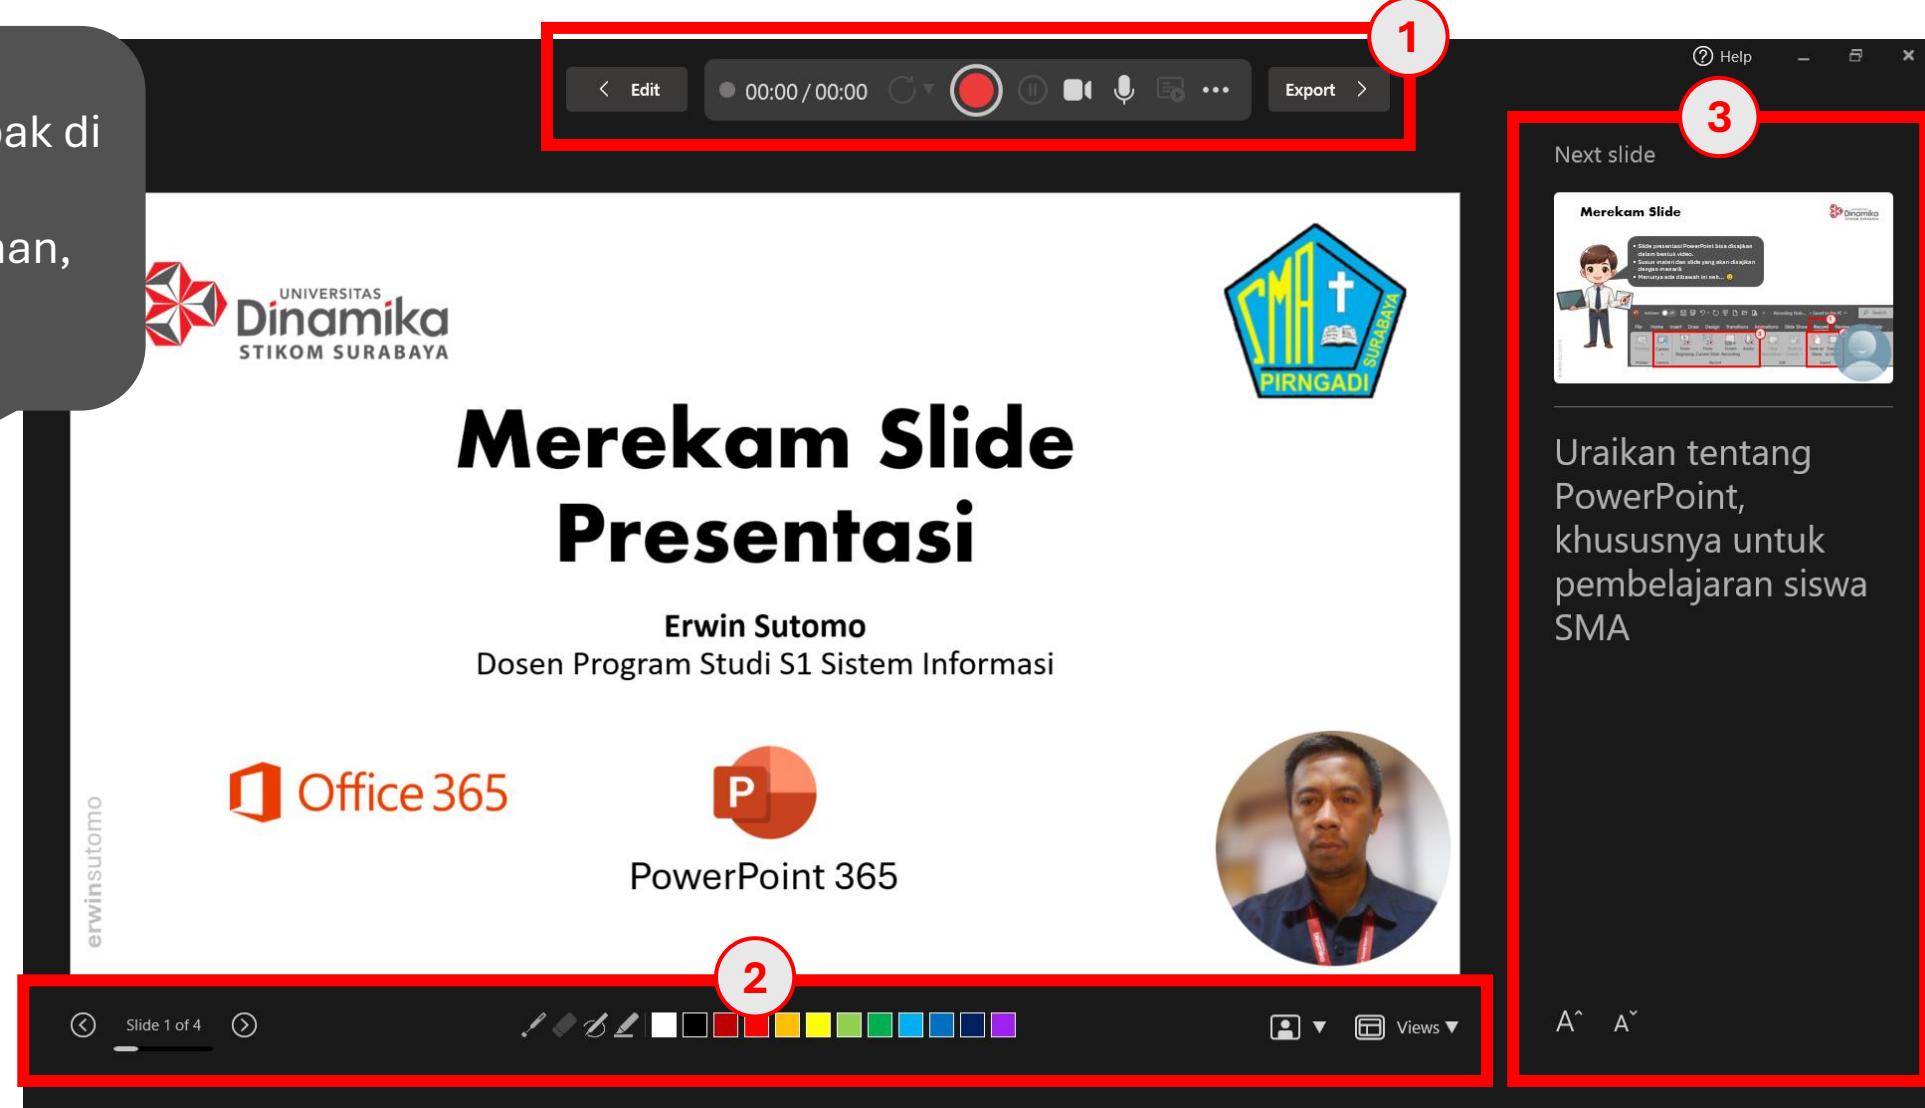

- Slide presentasi PowerPoint bisa disajikan dalam bentuk video.
- Susun materi dan slide yang akan disajikan dengan menarik
- Menunya ada di bawah ini neh... 😊

A screenshot of the Microsoft PowerPoint ribbon. The 'Record' tab is highlighted with a red box and a red circle containing the number 1. Below it, the 'Record' section of the ribbon is also highlighted with a red box and a red circle containing the number 3. To the right, the 'Export' section is highlighted with a red box and a red circle containing the number 2. The ribbon includes tabs for File, Home, Insert, Draw, Design, Transitions, Animations, Slide Show, Record, Review, View, and Help. The 'Record' tab is currently active. The 'Record' section contains buttons for Preview, Cameo (with dropdown options for Preview and Camera), and From Beginning, Current Slide, and Recording. The 'Export' section contains buttons for Save as Show, Export to Video, Learn More, and Help.

# Area Merekam #1

- Area untuk merekam tampak di gambar sebelah ya 😊
- Ada 3 area besar: perekaman, kontrol slide, dan catatan

The screenshot shows a Microsoft PowerPoint slide with the following elements:

- Top Bar:** Includes "Edit", a timer showing "00:00 / 00:00", a red circular recording button (labeled 1), and "Export".
- Content Area:** Features the university logo, the title "Merekam Slide Presentasi", the speaker's name "Erwin Sutomo", their title "Dosen Program Studi S1 Sistem Informasi", the Office 365 logo, the PowerPoint 365 logo, and a portrait of the speaker.
- Bottom Bar:** Shows "Slide 1 of 4", navigation icons, drawing tools, a color palette (labeled 2), and view settings.
- Right Sidebar:** Titled "Next slide", it contains a section for "Merekam Slide" with instructions and a screenshot of the recording interface, and a text box asking to "Uraikan tentang PowerPoint, khususnya untuk pembelajaran siswa SMA" (labeled 3).

# Area Merekam #2

Saat merekam,  
ada beberapa perubahan  
menu, tampilannya seperti di  
gambar sebelah ya... 😊

1

00:04 / 00:04

A^ A^

The screenshot shows a Microsoft PowerPoint slide with several UI elements highlighted by red boxes. Box 1 highlights the top control bar with the play/pause button, timer, and export options. Box 2 highlights the bottom ribbon tabs and the slide navigation icons at the bottom.

suksesmu tidak diukur dari seberapa banyak uangmu...,

tapi **Suksesmu** diukur dari  
**seberapa banyak kita meringankan  
beban orang lain** 😊
